The 25th chess tournament of the five cities „Alps – Danube – Adriatic“ took place in Zagreb, September 14-16, 2012. It brought players from 5 cities and countries: Balatonalmadi (Hungary), Wolfsberg (Austria), Pordenone (Italy), Celje and Šentjur (Slovenia) and Zagreb (Croatia).

This traditional competition has connected amateur chess players from neighboring countries since 1985, when the first tournament was held in Wolfsberg. Each year the tournament was played in other city.

This year's tournament was organized in the hotel „Porin“ in Zagreb by chess club „Ericsson Nikola Tesla“ under patronage of the Zagreb City Council and the working community „Alps – Adriatic“. President of the Zagreb City Council, Mr. Davor Bernardić opened the tournament.

Each city was represented by two teams of four players, whose points are added up. Playing time was 15 minutes per player.

Convincing winner was the team from Balatonalmadi with 26 match points, 8 points ahead of Wolfsberg, which finished second. Slovenian team combined of players from Celje and Šentjur took the third place, collecting 15 match points. The home team „Ericsson Nikola Tesla“ from Zagreb took the fourth place with 11 match points and the team from Pordenone finished fifth with 10 match points.

The whole event was marked by competitive, but friendly atmosphere. During the break between playing sessions the tournament participants visited the center of Zagreb and its main sights.

Next year's tournament „Alps – Danube – Adriatic“ will be played in Balatonalmadi, Hungary.
